Spring 2018

Dear Parents/Guardians,

St. Ann's Parish Religious Education Program – PREP has continued, like many of the schools in the area, to use the Honeywell Alert system. This system will notify each family through a computer system via specified telephone numbers/email provided by you. Everyone will be alerted simultaneously about all program closures and reminders for meetings which will assist computer messages and communications.

Please complete this form and returned it with your child(ren) registration forms. Should any information change during the year, please be sure to update your family information submitted on the Program forms so that you may stay connected with Program information.

Sincerely,

Sr. Phyllis Vella, MPF
Director of Religious Education
